Jim:

Thank you very much for sending me the policies. I have one follow-up question.

It looks like there is a Commercial Property Coverage policy issued by Chubb for the period 7/28/12 to 7/28/13 that was later amended to extend to 8/28/13 (Policy No. 79591937-02, \$1.97M per occurrence limit). This policy applies only to loss or damage to "covered property" at the Jennings/Fitzgerald addresses and has an exclusion for losses caused by discharge of pollutants.

There is also a Commercial General Liability Coverage policy issued by General Star for the period 1/13/13 to 1/13/14 (Policy No. IMA252707B, \$2M general aggregate limit). This policy covers damage to property in the "coverage territory," which extends to the entire U.S., but has an exclusion for damages related to discharges of pollutants.

Ms. Gonzalez's counsel also sent us a quote for a renewal of General Star Policy No. IMA252707A (not B) (\$2M general aggregate limit). Since the policy number is slightly different, I wanted to make sure there is not another policy I need to review before getting back to DOJ. I would like to provide DOJ with as full an answer as possible to speed their review.

Many thanks for your assistance.

Rachel
